

# Northfield Rotary Youth Exchange

**T**he Rotary Club of Northfield has had a dynamic and healthy Youth Exchange program since 1969. We are proud of our students and in the way that this community has supported them. We are firm believers that we are changing lives and creating world peace through this wonderful program. Spending time abroad with Rotary Youth Exchange is a once in a lifetime experience. Your exchange will encompass different phases that will give you opportunities to grow in new ways and experience a new culture and ideas.

Is your family curious about other countries and cultures? Whether your family is small or large, with children young or old, you might be just right for hosting a Rotary Youth Exchange student this year; all it takes is a desire to welcome someone to your community and home.
